HOW IT WORKS

APPLY

Fill out our Youth Art Wall Application. You can pick one up at the library or print one from our website. Return complete applications to the library. Once approved, you can choose from available showing months.

HANG YOUR WORK

On the 1st of your showing month, bring your work to the library and hang it in our super simple frames. We have frames ranging in sizes from 3x5 to 16x20. Frames are outfitted with string and clothespins to easily display works on paper. We can hang canvases as well. Just let us know ahead of time. We recommend stopping in to see the frames we have so you can curate your work to best fit in our frames.

ARTIST'S RECEPTION

****RECEPTIONS POSTPONED DUE TO COVID UNTIL FURTHER NOTICE****

In healthier times, we would plan a special opening reception to celebrate your work and invite the community to come out, see your work, and meet you. In the meantime, we are photographing every piece and creating an online gallery on our website and social media.

The present

We've dedicated almost every available wall space in our Youth section to you and your artwork. That being said, artwork displayed here needs to be appropriate for ALL AGES.

The future

We also will be offering wall space in our Young Adult section to older youths whose artwork may not meet the ALL AGES guidelines of our larger Art Wall in the future. We'll keep you posted on when that space will be available.
